AWARD OF MERIT– At a specialty often times the number of quality dogs in competition far exceeds the number of top awards available. The judge must choose only one Best of Breed and one Best of Opposite Sex. The awarding of an Award of Merit rosette acknowledges that this animal was under consideration for Best of Breed or Best of Opposite Sex. The judge is indicating his recognition of an exceptional animal who could, on another day, merit a top award. The Saluki Club of Greater San Francisco allows for up to 5 Awards of Merit to be presented in addition to Best of Breed and Best of Opposite Sex. The judge may, at his discretion, award all or none of the rosettes. Receiving such an award is, indeed, a significant honor.

SCGSF JUDGE LIAISONS

For many years the SCGSF Show Committee has included the role of a judge liaison. The liaison assumes the responsibility for the pre-show communication with their assigned judge with the understanding that they will not be exhibiting to them. Dogs they own or co-own may be entered and shown to their assigned judge but the liaison does not exhibit to them personally. Liaisons are eligible to exhibit their dogs to the other judges on the judging panel.
